Street.

Yellow Fever.

Brownsville, Texas, September 16.—The river is at a standstill. Our streets are yet flooded. There were seventeen new cases of yellow fever to-day and three deaths, all the latter Mexicans. There are only four cases of fever at Fort Brown at this date. All are doing well. Gen. Smith is now camped nine miles below this city with most of his regiment and the 19th infantry. They are all reported to be in excellent health. The strenuous sanitary measures adopted by the Board of Health appear to be very successful in evading the fever. The citizens of Matamoros are celebrating, to-day, the anniversary of Mexican independence in grand style. There are no new cases of yellow fever in that city. Three deaths from fever, are reported from there since yesterday.

The fever in Mier was taken there by a man named Beatie, a railroad man, who was the first to die in Mier with black vomit.

The weather continues cool. GALVESTON, September 16.—The New Matamoros special says: During 24 hours to 9 a. m. there were three deaths, all of yellow fever. The epidemic decreases slowly. Much sickness is reported at Ranccho and other towns. There were 40 cases of fever and 5 deaths taken to the cemetery by boat. The fever now on the Mexican side of the Rio Grande extends from Matamoros to Ranccho, Camargo and Mier. On the Texas side it only extends nine miles above here to Point Isabel, with few cases in the ranches in the direction of Corpus Christi. A. J. Dean, agent of the Rio Grande Railway Company, was taken down last night with yellow fever. No deaths have occurred there since Friday from yellow fever. The board of health last night passed a resolution favoring the raising of the quarantine between here and Matamoros, on the ground of its being no longer a sanitary necessity. New cases there are few; two deaths are reported. The celebration yesterday by the Matamoros people lacked none of its usual excitement, notwithstanding the fever quarantine and partial foundation. The weather is clear.

WASHINGTON, D. C., September 18.—The Virginia pilots reported to the signal station at Cape Henry this morning that the Italian bark Galileo from Pensacola bound to Hampton Roads, passed Cape Henry bound in at 8 a. m. with yellow fever on board, four persons dead. Medical assistance is wanted immediately.

Mysterious Deaths. MACON, Ga., September 16.—The bodies of John Skiffings and William Swift, two negro men, were found in the woods near Perry, about forty miles below Macon, yesterday afternoon, by a party of fox hunters. Skiffings' body had no marks upon it, and he was found in a cramped, sitting posture, as if he died from poison. Swift's head was crushed in, and there were other marks of violence found on his person. Both bodies were destitute of clothing. There is no clue as to how they came to their death.

Bank Statement. NEW YORK, September 16.—The weekly statement of the Associated Banks shows the following changes: Loans, decrease, \$3,337,400; specie, increase, \$1,079,600; legal tenders, decrease, \$550,100; deposits, increase, \$1,363,200; circulation, increase, \$29,500; reserve, increase, \$9,300. The banks now hold \$1,061,995 less than the legal requirement.

Dead. PETERSBURG, Va., September 16.—Hon. C. P. Ramsdell, late United States Marshal of the eastern district of Virginia, which position he had held for the past ten years, died of Bright's disease at Centralia, Chesterfield County, this morning, in his 57th year.

Among the most efficacious of remedial agents are the medical preparations from the laboratory of Mrs. Lydia E. Pinkham, Lynn, Mass.

THE EGYPTIAN WAR.

Cairo, September 16.—With the exception of a few leaders and one or two persons, accused of crimes, no rebels were made prisoners by General Lowe, who merely required them to surrender their arms. Many who have been prominent in the rebellion were told, much to their surprise, that they were free.

Berlin, September 16.—Balthasar Gruh, socialist, committed suicide while in prison at Hanan.

St. Petersburg, September 16.—The Gazette de St. Petersburg says: To allow England to settle the Egyptian question without consulting the Powers, is not to be thought of. Novae Verayia considers that General Wolsey has shown true generalship.

ALEXANDRIA, September 16.—Gen. Wood occupied Kaser-el-Dwar and Malaha this afternoon. The naval brigades, with their guns, have re-embarked.

LONDON, September 16.—The Times, in a leading article says: "If the lives of Arabi Pasha and his immediate followers are spared, these men must be put, once for all, out of the way of doing further harm."

ALEXANDRIA, September 16.—Kutsh Pasha, commanding at Aboukir, has sent in a message announcing a readiness to surrender.

WASHINGTON, D. C., September 18.—The Virginia pilots reported to the signal station at Cape Henry this morning that the Italian bark Galileo from Pensacola bound to Hampton Roads, passed Cape Henry bound in at 8 a. m. with yellow fever on board, four persons dead. Medical assistance is wanted immediately.

Irish National Land League. WATERBURY, Conn., September 18.—Rev. Lawrence Walsh, treasurer of the Irish National Land League, will tomorrow cable to transmute Egan, at Paris, \$20,000, covering the contributions from May 1st to date. Father Walsh has information that Messrs. Redmond and Sexton, members of Parliament, are coming to America early in October to speak in the interests of the Land League.

Editors Indicted. NEWARK, Ohio, September 17.—The grand jury has indicted the editors of the Pen for criminal libel upon ex-Probate Judge Waldo Taylor. The editors indicted are Hon. Frank L. Cross, formerly of the Columbus Dispatch, and Joseph H. Watson, formerly of the Washington Post.

Political. GREENSBORO, N. C., September 18.—Col. J. R. Winston has announced himself as a Greenback candidate for Congress in the fifth North Carolina district, and is making an active canvass.

THE COLT SHOWS.

Finest Exhibition of Young Stock Ever in Knoxville.

Mr. N. T. Henson, one of Knoxville's most enterprising and successful stock raisers, has been for some years getting up annual exhibitions of the colts of his "Big Nigger," a well known jack throughout this country. These shows have had a wonderful tendency towards the improvement of the stock of our country, and great credit is due to Mr. Henson for his efforts. His shows have been constantly improving. The best exhibition he has ever given took place Saturday afternoon, on the vacant lot of Mr. Matt McChing, on Gay street, and a number of extraordinarily fine young nudes from all parts of the county, were on exhibition. A large crowd of spectators was attracted.

The colts were drawn into a ring, and exhibited before the following judges, selected by owners: J. M. Kirby, Burrell Kone, Henson, Budgett, Ean. Budgett and Col. J. M. Pate.

The first premium, of \$10, was taken by Jas. McCarrall. The second, of \$5, by Wm. Haffey, and the third, \$2.50, by A. Looney. All the mules were so fine it was difficult to decide.

The first premium mule was sold on the ground to Mr. Russell, for \$75, which, added to the premium, makes \$85 Mr. McCarrall realized. It was 5 months old to a day. The second premium mule was bought on the ground by Mr. James Jones, for \$75 also. The premium added, makes \$90 Mr. Haffey realized. This was five months, September 8th. It is one illustration of the benefit.

COLONEL MARTIN'S PERCHERON SHOW. The biggest thing in the way of a young stock show that Knoxville ever saw, however, was the display of the colts of Col. Hugh Martin's magnificent Percheron stallions, which took place on the same ground at noon. An immense crowd was attracted. There were perhaps thirty or forty colts present, with their dams, from Knox and adjoining counties, and they were all universally admired.

First came the exhibition of the colts of the "Lord Roscoe." Geo. W. Mabry, E. R. Tindell, Henson Budgett, Green McClellan and Jas. Harper were the judges, and the colts were shown before them. N. T. Henson took the first premium, \$10; W. J. Burnett, the second, \$7.50, and Col. H. H. Armstrong, the third, \$5.

Then was brought on the most interesting show, and some twenty odd colts of that magnificent imported gray Percheron, "Talisman," were put in the ring, before the following judges: Jno. May Jennings, J. O. Parker, Zion Wade, S. H. Davis, J. E. Pate, W. H. Fox, John Godfrey, E. N. Mays, G. W. Mabry, R. S. Payne and Jas. Harper. Here was the most difficult task of all to decide upon merit, when there was so much merit. But the decision was made, and S. L. Moore, of Anderson county, took the first premium of \$20; Maj. D. A. Carpenter, of this city, the second, \$15; and W. B. Lones, of Knox County, the third, \$10. The colts were all four months and a little past. None were for sale.

Colonel Martin's two fine stallions themselves were on exhibition, and also one of the thoroughbred mares of Colonel McGhee's and one of Major Jackson's. It is astonishing what progress has been made by Colonel Martin since he introduced his stock in our midst, but little over a year ago, and what a marked effect for good it has had upon the stock of our country. Col. Martin has certainly done and is doing a work that is eminently deserving of encouragement and patronage, and it is a matter of great satisfaction to him to see with what signal success he is meeting.

A Boisterous Man Taken in. Wm. Portwood, a railroad hand on some of the new railroad works, was drunk and created considerable disturbance about the car shed yesterday evening, while waiting for the Ohio division train to back up. After it came up he got in the car and was flourishing his open knife, getting his teeth and cursing, scaring ladies and others out of the train. The police were telephoned for, and Officers Hicks and Reeder came, took him out of the train, assisted by night watchman Hogan McLean, after considerable difficulty, and took him to the lockup.

An Affecting Scene. A special correspondent of the Chattanooga Times, aboard the train Friday morning, with the corpse of the murdered sheriff, W. T. Tate and Deputy Conway, of that town, writes as follows: "When the train bearing the remains reached Cleveland, a brother and a sister of Sheriff Tate boarded the train. At Odessa the aged mother and father and other relatives met us. The scene at this point was the most distressing I ever witnessed. The aged parents were bowed down with grief, and when the mother knelt beside the coffin and gave way to her bitter lamentations, there was not a dry eye in the car. The scene was truly affecting, and would have moved the heart of a stone."

Double Duty Mail.

Mention was made in our columns some time since of the establishment of a double daily mail service on the E. T. Va. & Ga. Railroad. This, as is known, contemplated a service on the day passenger trains. The Post-Office Department acted in union with the E. T. Va. & Ga. Railroad authorities in the matter. The railroad company furnished the cars, which run directly through from Baltimore to Chattanooga and return, and that mail is also brought through from New York. On the line between Baltimore and Chattanooga there are three sets of agents, the changes being made at Warrensburg and Bristol.

The first car came through on No. 1, west bound yesterday in charge of Mr. Joe C. Willard, from Bristol. The second started out from Chattanooga and passed up on No. 2 yesterday evening, in charge of Mr. John Newton.

The four paper clerks on the Bristol and Chattanooga route have been detailed to take this work. Those are two above named and Messrs. R. J. Allen and A. J. Welsh. Mr. Allen will come out from Chattanooga to-day and Mr. Welsh tomorrow.

To take the place of these four paper clerks on the night run, the following gentlemen have been appointed and put in the service: G. McIntire, of Union County; A. C. Bowers, of Washington County; Jno. C. Ashmore, of Mosby Creek, and F. D. Fulkerson, of Maryland.

This new arrangement will supply a want for local mail facilities on our day trains that has long been felt. Besides, it will furnish the quickest and most direct through route that we have ever had. New York mail will be brought to us in about 24 hours. Our people who are thus benefited to such a large degree owe a debt of gratitude to the railroad management and to the postal authorities for their enterprise in this matter.

Tennessee Life and Nuptial Union. As will be seen by an attractive advertisement in this issue, a new and strong company, has been chartered and organized in this city, under the name of the Tennessee Life and Nuptial Union, which offers superior inducements in the way of the largest benefits, least expense and quickest returns of any benefit organization yet.

There is an opportunity by joining this Union, of securing \$1,200 in four months. No young man should let such an opportunity slip.

The officers and directors are well known, worthy and responsible citizens of Knoxville. Their references are of the very best. They have a convenient, neat and cozy office between McMurry and Yeager's and McMurry & Branson's, where all needed information can be obtained. They are also agents for all good and reliable birthday and other associations, and will furnish information about and give policies in any of them.

For Dyspepsia, Indigestion, Depression of Spirits and General Debility, in their various forms; also as a preventive against Fever and Ague, and other intermittent Fevers, the "Ferro-Phosphated Elixir of Callaya," made by Cassell, Druggist & Co., New York, and sold by all Druggists, is the best tonic; and for patients recovering from Fever or other sickness, it has no equal.

The Anti-Monopolists, in their convention at Saratoga yesterday, adopted a platform demanding government supervision and "control" of corporations, so that the capital invested shall return "reasonable dividends"; free canals; the purchase and abolition of the government mint and coin operation as part of the postal system; the establishment of postal savings banks; a currency to be issued by the Treasury only; laws to prevent "combinations to inflate or depress prices"; the repeal of all "objectionable sections" of the Penal Code; a State Labor Bureau, with power to arbitrate, and in case of corporations to "establish and enforce the wages to be paid"; pure justice; abolition of the prison contract system; the deduction of moneys from real estate for purposes of taxation; reform of the civil service; woman suffrage, and "equal pay with men for equal work."—New York Evening Post.

In a western town the other day, a young man was shot at, but the ball lodged in a testament which was in his vest pocket. There ought to be a beautiful moral to this incident, but unfortunately the fact remains that if he had been reading the Testament he would have been killed.—Philadelphia News.

Attention is called to the announcement of the new line to Texas and California to be found in this issue—the New Orleans Pacific. Our genial and wide-awake friend E. P. Sisson represents this excellent and direct line. Look out for the large posters and banners, which were being put up last night.

The ladies of the Memorial Association are requested to meet this morning at 9 o'clock at the residence of Mrs. O. N. Payne, corner of Church and Walnut streets.

Horsford's Acid Phosphate as a Nerve Food. Dr. J. W. Smith, Wellington, O., says: "I have used it advantageously in impaired nervous supply."

Sunday-School Jubilee at Millertown. A Sabbath-school jubilee was held at Miller's Church, in the 3d district of Knox County, on last Saturday, Sept. 16th. All the neighboring schools were invited, and a large number were represented. Each school was invited to bring a speaker, and also their singing class, to contend for a prize, which was offered by the Millertown school. There were only two schools entered the contest for the prize as best singing class, to-wit: Millertown and Hopeville's schools. The prize was awarded to Hopeville school.

THE TAYLOR BROTHERS.

Definite Information from the Pursuit of Them.

Public interest still centers upon the pursa of the Taylor brothers, the gang of hit men, whose bold operations have been aided in our columns. It is remembered that Bob and Andy Taylor boarded the day passenger train at Sweetwater last Friday. On that train was Sheriff T. C. Gage and Deputy J. J. Conway in Chattanooga, bringing to the Supreme Court their brother, John Taylor, convicted of the murder of Capt. Fletcher. Capt. Gage was killed instantly, Sheriff Gage and his brother-in-law, John Taylor, were taken to the jail, and John Taylor, after proving the cartridges, they were not by Sheriff Sparks, who had one or two other men with him, but it is supposed they were not recognized, at least they were not accented. There was no accurate information as to what direction the brothers had finally taken from Kingston that night. Some thought they went up Clinch River. A skiff was missed from the river bank, near Kingston, the next morning, and three tracks were visible in the mud leading down to it. They were also said to have been sending horseback in the direction of within few miles of Emory Gap. Mr. F. H. McKinnon at 4 o'clock Friday afternoon.

Capt. J. M. Moore, conductor of the passenger train yesterday evening, stated to us that there was no information in Chattanooga when he left, and he made inquiry along the road, it could hear nothing from the pursuit.

Special Dispatch to the Chronicle. CHATTANOOGA, September 16. The funerals to-day of Sheriff Gage and Deputy Gage were the largest seen in this city for many years. The excitement over the tragedy has not in the least subsided, and the general topic. The excitement in the adjoining counties is fully as great as here.

To-night a force of twenty-five men left Rockwood, and they think they will bag their game, if a brother of the big fugitives arrived. Bodies of men are traversing the mountains and searching everywhere.

It is thought the Governor will offer \$15,000 reward for the capture of the three Taylors, having been advised to do so by the attorney general. There is \$3,000 reward now offered.

Obituary. On Sunday night, at 11 o'clock, the spirit of the beloved wife of L. C. Shepard took its flight to the bosom of her Saviour. She died in full assurance of a blessed immortality. Funeral services at St. John's Church this (Tuesday) evening at half past 3 o'clock. The friends of the family are invited to attend.

Emily T. Shepard was born June 1, 1814, and was 68 years of age, and of whom it may truly be said, she did what she could to benefit humanity, in caring for the orphan, the aged, and the destitute, even to the sacrifice of her health. Among the many objects of her special efforts in this behalf may be mentioned her earnestness in aiding the establishment of the Industrial Home, in St. John's Orphanage, and also in the attempt to establish a home for unfortunate women, which only failed when she withdrew and she was left alone in the work. She also gave liberally to the cause of temperance and other benevolent objects, and it may truly be said of her, whatever her hands found to do she did with her might, whether praised or blamed, no matter how unpopular the cause might be, she always stood for the right, and many an orphan, many a fallen one, many a poor person have reason to bless God for having met her. As to her husband, she looked well to that she never ate the bread of idleness. Her children rise up and call her blessed, her husband, also, and he praiseth her. Those who knew her most intimately loved her best, and they have the blessed assurance that their loss is her eternal gain, as she gave unmistakable evidence that she was prepared to die, and to exchange this painful life to dwell with him her soul delighted in.

There shall she forever unchanged by decay Beside the still waters and green pastures stay. And there shall we join her with earth's ransomed hosts, Look upward and upward she is gone—but not lost.

The ladies of the Memorial Association are requested to meet this morning at 9 o'clock at the residence of Mrs. O. N. Payne, corner of Church and Walnut streets.

Horsford's Acid Phosphate as a Nerve Food. Dr. J. W. Smith, Wellington, O., says: "I have used it advantageously in impaired nervous supply."

Sunday-School Jubilee at Millertown. A Sabbath-school jubilee was held at Miller's Church, in the 3d district of Knox County, on last Saturday, Sept. 16th. All the neighboring schools were invited, and a large number were represented. Each school was invited to bring a speaker, and also their singing class, to contend for a prize, which was offered by the Millertown school. There were only two schools entered the contest for the prize as best singing class, to-wit: Millertown and Hopeville's schools. The prize was awarded to Hopeville school.

The prize was awarded to Millertown for the best Sunday-school address. No other school contended. There was plenty of refreshments on the ground. General good feeling prevailed, and all went away feeling as if they had been benefited by a day spent in the service of the Sabbath-school cause.

C. S. Mayo, Esq., manager of the Merriam Paper Co., Lawrence, Mass., was troubled with rheumatism in the ankle which St. Jacobs Oil cured in a few hours.

The Work-House Force.

Peyton Carter, Esq., the worthy and efficient superintendent of the county work-house, has now 63 convicts in his gang, of whom 27 are women. As has been before stated in our columns, he now has his forces at work on the Rutledge pike. His camp is to the left of the present road, just beyond Col. C. W. Hall's residence, and on the line of the new route where the road is to be changed to. Ever since the establishment there they have been engaged getting out and crushing rock with the new rock crusher, owned by the county. The rock is plentiful just there, and of good quality, but it is hard to get out.

A large quantity of the macadam rock has been accumulated, and the force was to be put to work yesterday hauling and putting it on the road. The old pike, from Colonel Hall's to the city, is certainly in a woeful condition, and in need of repairs. The force will commence there and work towards the city, and they hope to complete that part by the first of January next.

St. Jacobs Oil. TRADE MARK. THE GREAT GERMAN REMEDY FOR RHEUMATISM, NEURALGIA, SCIATICA, LUMBAGO, BACKACHE, SORENESS OF THE CHEST, COUGHS, SORE THROAT, SWELLINGS AND SPRAINS, BURNS AND SCALDS, GENERAL BODILY PAINS, TOOTH, EAR AND HEADACHE, FROSTED FEET AND EARS, AND ALL OTHER PAINS AND ACHES.

No Preparation so easily and so quickly as a cure, simple and cheap. External remedy. A trial will cure but the comparatively trifling outlay of 50 cents, and every one suffering with it can have cheap and positive proof of its claims. Directions in Eleven Languages.

SOLD BY ALL DRUGGISTS AND DEALERS IN MEDICINE. A. VOGELER & CO., Baltimore, Md., U. S. A.

For Dyspepsia, Colic, Stomachic, Sick Headache, Chronic Diarrhea, Jaundice, Impurity of the Blood, Fever and Ague, Malaria, and all Diseases caused by the derangement of Liver, Bowels and Kidneys.

SYMPTOMS OF A DISEASED LIVER. Bad Breath; Pain in the Side, sometimes the quick, full under the shoulder-blade; a dull and heavy, with considerable loss of memory, accompanied by a painful sensation of burning or itching, sometimes which might have been due to a slight dry cough and flushed face; sometimes a general sensation of the skin, eyes are low and dependent, and the face is pale and sunken; a general feeling of uneasiness, which may be hardly summed up in the words "I feel ill," and every remedy, except the use of the above symptoms attend the disease, but cases have occurred where but few of these signs were present, and yet the Liver to have been extensively deranged.

It should be used by all persons, old and young, whenever any of the above symptoms appear.

Persons Travelling or Living in Unhealthy Localities, by taking a dose occasionally keep the Liver in healthy action, and avoid all Malaria, Bilious attacks, Dizziness, Nausea, Headache, Depression of Spirits, &c. It will invigorate like a new wine, but is not intoxicating beverage.

If you have eaten anything hard of digestion, or feel heavy after meals, or less at night, take a dose and you will be relieved.

Time and Doctors' Bills will be saved by always keeping the Regulator in the House!

For whatever the ailment may be, a thoroughly safe, purgative, alternative and tonic can never be out of place. The remedy is harmless and does not interfere with business or pleasure.

IT IS PURELY VEGETABLE. And has all the power and efficacy of Colman's Mustard, without any of the injurious effects of Quinine, without any of the injurious effects of Quinine, without any of the injurious effects of Quinine.

A Governor's Testimony. Simmons Liver Regulator has been in use in my family for some time, and I am satisfied it is a valuable addition to the medical science.

Hon. Alexander H. Stephens, of Ga., says: "I have derived some benefit from the use of Simmons Liver Regulator, and would give it a further trial."

The only thing that never fails to relieve, "I have used many remedies for Dyspepsia, Liver, Colic and Debility, but never found anything to benefit me so much as Simmons Liver Regulator. I have used it for years, and it has cured me of all my ailments, and would advise all who are similarly afflicted to give it a trial, as it seems the only thing that never fails to relieve."

P. E. Mason, of Minneapolis, Minn. Dr. T. W. Mason says: "I have used the Simmons Liver Regulator in my practice for years, and am satisfied to use and prescribe it as a purgative medicine."

Take only the Genuine, which always has on the wrapper the Red Z Trade-Mark and Signature of J. H. ZIEGLER & CO. FOR SALE BY ALL DRUGGISTS.

D'HARTERS

GENTLEMEN: I have used DR. HARTER'S IRON TONIC in my practice, and in an experience of twenty-five years in medicine, have never found anything to give the results that DR. HARTER'S IRON TONIC does. In many cases of Nervous Prostration, Female Diseases, Dyspepsia, and an impoverished condition of the blood, this powerful remedy, has in my hands, made some wonderful cures. Cases that have baffled some of our most eminent physicians, have yielded to this great and honorable remedy. I prescribe it in preference to any iron preparation made, in fact, such a compound as DR. HARTER'S IRON TONIC is a necessity in my practice. DR. HARTER'S IRON TONIC. ST. LOUIS, MO., NOV. 20th, 1881. DR. HARTER'S IRON TONIC. 213 N. MAIN ST., ST. LOUIS.

IRON TONIC. MANUFACTURED BY THE DR. HARTER MEDICINE CO., 213 N. MAIN ST., ST. LOUIS.
